rece como destinacion turistico y esaki seguramente lo contribui cu hopi di nan lo regresa Aruba den futuro como un turista di estadia ("stay over visitor") cu lo keda un periodo mas largo na nos isla. Tambe por a mira con famianan y gruponan grandi a planea nan tour priva prome di a yega nan destinacion. Te hasta esnan cu conoce Aruba caba semper ta disfruta di por ta bek riba e isla felis. Nan ta basa e opinion aki riba e bon servicio cu nan a experiencia riba un dia ameno cu nan tourguide como tambe di e diferente localidannan cu nan a conoce. Tambe tin

Maneira tur hende por a ripara, ayera tabata un dia hopi druk pa Arubus y e busnan chikito, unda cu te hasta tabatin turista cu mester a warda riba un siguiente bus pa motibo di busnan yen yen. Pero contento y cu pasenshi e turistanan a warda y a haya chance pa comenta

con dushi nan ta pasando. Nos Minister di Turismo Otmar Oduber ta pone enfasis riba e importancia di e trato cu tur hende ta brinda na e bishitante, no solamente den e sector turistico pero tambe pa esun local. Nos por usa e tourguidenan y chauffeur di bus, como un ehempel con cada persona no ta solamente un anfitrión den su cas y su luga di trabao, pero mester ta un anfitrión pa su pais.

Waf chikito a conta cu miles di bishitante

E record di diahuebs ultimo tabata uno fructifero pa hopi comerciante. E waf chikito a saca bon probecho di esaki. A nota miles di turista di crucero cu a bishita e kioskonan pa hiba un pida di Aruba bek

nan cas. Waf ta keda semper un di e atraccionnan turistico bon bishita pa tur turista. Ta bunita pa mira tanto hende den centro di nos ciudad. Esey ta conta tambe pa tur e tienda y restaurantnan den cerca-

nia di waf chikito y e mallnan cu a haya hopi bishita. Por a mira gruponan grandi aglomera na waf como tambe na e kioskonan dilanti APA cu no tabata tin caminda pa cana. E comentario nan pa cu Aruba

ta nada mas cu positivo, mirando cu e motibo principal pa hopi pa bin aki nan ta cu nos hendenan ta amabel, servicial y atento. Hopi a sinti nan mes "right at home". A mira cu hopi shopping a wordo haci riba e dia di ayera pa tanto e turista como tambe e tripulacion di e barconan crucero. Por a mira hopi bishitante garga cu saco no solamente di waf, pero di joyas y diferente pacusnan renombra riba nos isla. Loke por a experiencia ayera ta un dia record pa Aruba, unda cu waf di crucero tabatin 5 boto an-cra, y esaki ta fruto di e trabou dinamico di Minister di Turismo y danki na e bon relacion cu tin cu tur stakeholders. Esaki ta otro prueba cu Minister Oduber ta hibando nos turismo pa e "next level".

Asistencia Social Santa Anna Noord ta parti paña y otro articulonan

Asistencia Social Santa Anna Noord ta manda un cordial invitacion pa nos hendenan den necesidad, cu tin partiemento di paña, sapato, tas, articulo pa baby, etc. cu lo tuma lugar diasabra, 19 di januari di 9.00 te cu 11:00 am. Nos ta situa panord di misa Santa Anna na Noord.

Un danki di curason na tur cu a coopera di un of otro manera pa yuda nos hendenan den mester y cu Dios drama su bendicion ariba nos tur y cu nos por tin un aña yen di prosperidad. Bolutarionan di Asistencia Social Santa Anna Noord.

E laman y beachnan di Aruba ta un di esnan mas bunita y limpi rond mundo. Esaki ta solamente un di e tantisimo comentarionan positivo cu por a tende for di un bishitante di e linea crucero Carnival Freedom cu ta di bishita aki pa prome biha. Incluso e cabayero aki a remarca di nunca a bishita un isla asina bunita. Esnan cu ta traha rond di e area hotelero a wak hopi movecion riba nos beach-

nan, unda cu un gran cantidad di turista crucero a opta pa bishita Aruba cu e meta principal di por disfruta di nos beachnan y un ambiente tropical unico. Hopi turista cu a haci uso di 'tour-guides' a haya e chance pa conoce Baby Beach unda cu nan a pasa un rato ameno cu famia y amigonan. Te hasta un grupo Canades a haya e oportunidad di por a para un rato na cada un di nos beachnan. Mester

Nos beachnan bon bishita pa turista crucero

agrega cu hopi bishitante a haci uso di e servicio di catamaran pa conoce nos bida marino tambe. Tur cos ta muestra cu esaki ta djis e co-

mienso di loke mester bira un anja sumamente exitoso pa turismo y economia di Aruba.

Amabilidad di local a capta atencion di e turista crucero

Ayera, esta diahuebs 17 di januari 2013, Aruba por a presencia hopi movecion di bishitantenan crucero na diferente localidad riba nos isla. Ta asina cu riba un solo dia Aruba a kibra record cu un total di 5 barco crucero cu a inunda Aruba cu 13 mil turista. Por a mira lineanan crucero renombrado manera Carnival Freedom, Oceana, AIDA, The World y Zuyderland den nos waf. Despues di a sera conocir y conversa cu algun bishitante, mester remarca cu e amabilidad di nos hendenan ta loke mas a capta nan atencion. Por a ripara cu e turistanan a haci bon uso di nos atraccionnan, mirando cu tourbusses tabata yen yen y transporte publico no tabatin mas lugar pa pone hende. E turistanan a disfruta di diferente actividad, a bishita nos isla, conoce nos cultura, shop a la grandi y come den

nos restaurantnan. No tin duda cu Aruba y su hendenan a haci un tremendo impresion riba nos bishitantenan y cu Aruba lo haya un lugar special den nan curason. No ta por nada cu hopi di nan a priminti cu pronto nan lo ta di regreso na Aruba pa un estadia mas largo, pa asina nan por disfruta mas ainda di nos dushi y bunita isla. Pa 2013 nos lo conoce un aumento den e frecuencia di bishitantan di parti di Royal Caribbean, Norwegian y Pullmantur durante zomer, unda por spera otro record di bishitante. Esaki ta solamente e comienzo di un temporada fructifero di tursimo pa Aruba y ta confirma un otro logro importante di Minister di Turismo, cu a indica cu "Aruba lo no conoce low season mas". 2013 lo kibra tur record y nos pais lo ta anfitrión di 720 mil turista crucero.

Ockels ta wak bek riba e biahe cu a dura un poco mas largo cu nan a pensa pa motibo di contratiempo cu nan a haya nan mes confronta cu ne den cuminsamento. Contratiempo cu sin mucho problema a wordo superado. E ta skirbi cu yegando Aruba e 'maiden trip' di Ecolution a yega su fin. Ecolution ta e laso cu ta fortifica e rel-

acion entre Aruba y Hulanda den Reino. Ecolution ta keda tres luna Aruba pasobra cu Ockels ta compromete su mes pa yuda con-

Tur cos a wordo haci cu energia duradero. Asina entre otro a traha 50 pan, a destila 1500 liter di awa cu a wordo uza pa cushina y baña, a traha 1500 kopi di koffie, tur esaki durante un

verti Aruba den un isla duradero bou di e lema 'Happy Energy Island'. Manera ya ta conoci gobierno di Aruba kier haci e isla completamente independiente di combustibel fosil na 2020. Ockels ta haya esaki un ambicion excepcionalmente halto. Cu esaki Aruba ta tuma un posicion di pionero y ehemplar pa e otro islanan di Caribe. Ecolution ta hunga den esaki e papel di icono di durabilidad. E biahe riba oceano ta un realidad. Ecolution

biaha di mas di 5 mil miya. Ockels ta bisa di ta masha orguyoso di su boto. E concepto a keda proba. Ockels den su carta ta enfatisa cu construi un boto asina manera Ecolution ta un trabou enorme. Aparte di e gastonan financiero, e input y pasion di otronan ta necesario. Sponsornan tambe ta importante. Sin nan Ecolution no por a haci e biahe aki. Na final e ta gradici tur hende cu a yuda den haci e biahe posibel.

Renobacion y expansion di Hospital ta keda cuestionabel

Awor ta resulta cu, despues cu na prome instancia e renobacion y expansion lo a bay costa comunidad e suma di alrededor di 700 miyon florin, awor e minister mike de mesa "coregi" e suma aki, y a subie te na 900 miyon, mientras cu, di acuerdo cu e propio minister, pa motibo di gastonan imprebisto ("onvoorzien"), e suma lo subi te na 1BIYON!

Den tur esaki, ta di lamenta cu e minister no por a duna ningun garantia cu e servicio mes, pues cu e cuido medico, lo bay mehora! Na e momentonan aki ya caba hospital ta haye den problema financiero tur luna, y e fondo cu lo por a wordo hinca den e cuido, mester wordo usa pa paga su gastonan.

Di acuerdo cu expresionnan di e minister, e renobacion y expansion di hospital lo trece cu ne un obligacion financiero di 29 aña, unda sinembargo e proyecto tin un durabilidad di solamente 25 aña!

E documentonan cu por fin durante reunion di Parlamento a wordo poni "terinzage", ta indica pa colmo cu despues di 10 aña lo bay

evalua si lo mester construi un hospital nobo "al-snog". Algo cu den mi posicion anterior di minister mi a boga p'e, y pa cua mi a haya 100% sosten di A.I.B. den su rapport di juni 2007, condenando e tempo ey e actual sitio totalmente!

Lamentablemente e mesun A.I.B. aki a haci un buelta di 180 grado, y awor a bay di acuerdo cu e renobacion y expansion di nos hospital, sin tene cuenta mas cu nan PROPIO consideracionnan cu a conduci na nan rapport di juni 2007.

E circunstancia nan di 2007 NO a cambia; y un hospital nobo, incluso un PAAZ, incluso inventario, lo a costa 211miyon, financia via AZV, acompaña pa cierto adaptacion den bestuur, unda e Pueblo di Aruba lo ta mihor representa! E gastonan

pa renobacion y expansion di e actual hospital al contrariota yega te na 1BIYON, pues mas o menos 5 biaha mas caro, y ademas SIN un PAAZ, y SIN ekipo!!!

Y tan ten ni A.I.B., ni gobi-erno NO probami "wrong", mi ta keda condena e decision! Y A.I.B. so lo por confirma si nan a permiti gobi-erno manipulan!

Esaki ta trecemi back na e compania Bermello, cu –

mescos cu tabata e caso cu e afamado proyecto corrupto di racetrack – tambe ta meti den e proyecto di hospital aki. Pero algun di esnan cu tabata meti den e proyecto di racetrack, awor ta forma parti tambe di e Infra team cu ta "guia" e proyecto di hospital. Bo por tumami na malo anto si mi bisa cu e proyecto aki tambe ta hole na corrupcion??

A-Rod's hip damage minimal

New York Yankees third baseman Alex Rodriguez was found to have relatively minimal cartilage damage in his left hip during surgery this week, a person familiar with the diagnosis told The Associated Press.

The person spoke on condition of anonymity Thursday because the team did not make that detail public. Dr. Bryan Kelly of the Hospital for Special Surgery, who operated on Rodriguez on Wednesday,

said last week the extent of cartilage damage was a concern and could not be determined before the operation. Kelly repaired a torn labrum and reshaped the bone to alleviate impingement. The Yankees

said Wednesday the operation "went as planned and without complication."

"We put out a statement and we're not putting out anything more than that," Yankees general manager Brian Cashman told ESPN

New York. "If you want to track down Alex and ask him, go do it."

New York said recovery time is six months, a timetable that projects Rodriguez to return after the All-Star break.

Lance Armstrong comes clean

He did it. He finally admitted it. Lance Armstrong doped.

He was light on the details and didn't name names. He mused that he might not have been caught if not for his comeback in 2009. And he was certain his "fate was sealed" when longtime friend, training partner and trusted lieutenant George Hincapie, who was along for the ride on all seven of Armstrong's Tour de France wins from 1999-2005, was forced to give him up to anti-doping authorities. But right from the start and more than two dozen times during the first of a two-part interview Thursday night with Oprah Winfrey on her OWN network, the disgraced former cycling champion acknowledged what he had lied about repeatedly for years, and what had been one of the worst-kept secrets for the better part of a week: He was the ringleader of an elaborate doping scheme on a U.S. Postal Service team that swept him to the top of the podium at the

Tour de France time after time.

"I'm a flawed character," he said.

Did it feel wrong?

"No," Armstrong replied. "Scary."

"Did you feel bad about it?" Winfrey pressed him.

"No," he said. "Even scarier."

"Did you feel in any way that you were cheating?"

"No," Armstrong paused. "Scariest."

"I went and looked up the definition of cheat," he added a moment later. "And the definition is to gain an advantage on a rival or foe. I didn't view it that way. I viewed it as a level playing field."

Wearing a blue blazer and open-neck shirt, Armstrong was direct and matter-of-fact, neither pained nor defensive. He looked straight ahead. There were no tears and very few laughs.

He dodged few questions and refused to implicate anyone else, even as he said it was humanly impossible to win seven

straight Tours without doping.

"I'm not comfortable talking about other people," Armstrong said. "I don't want to accuse anybody."

Whether his televised confession will help or hurt Armstrong's bruised reputation and his already-tenuous defense in at least two pending lawsuits, and possibly a third, remains to be seen. Either way, a story that seemed too good to be true -- cancer survivor returns to win one of sport's most grueling events seven times in a row -- was revealed to be just that.

"This story was so perfect for so long. It's this myth, this perfect story, and it wasn't true," he said.

"I viewed this situation as one big lie that I repeated a lot of times, and as you said, it wasn't as if I just said no and I moved off it."

Winfrey got right to the point when the interview began, asking for yes-or-no answers to five questions.

Did Armstrong take banned substances? "Yes."

Did that include the

blood-booster EPO? "Yes."

Did he do blood doping and use transfusions? "Yes."

Did he use testosterone, cortisone and human growth hormone? "Yes."

Did he take banned substances or blood dope in all his Tour wins? "Yes."

In his climb to the top, Armstrong cast aside teammates who questioned his tactics, yet swore he raced clean and tried to silence anyone who said otherwise. Ruthless and rich enough to settle any score, no place seemed beyond his reach -- courtrooms, the court of public opinion, even along the roads of his sport's most prestigious race. That relentless pursuit was one of the things that Armstrong said he regretted most. "I deserve this," he said twice. "It's a major flaw, and it's a guy who expected to get whatever he wanted and to control every outcome. And it's inexcusable. And when I say there are people who will hear this and never forgive me, I understand that.

I do. ...

"That defiance, that attitude, that arrogance, you cannot deny it."

Armstrong said he started doping in the mid-1990s but didn't when he finished third in his comeback attempt. Anti-doping officials have said nothing short of a confession under oath -- "not talking to a talk-show host," is how World Anti-Doping Agency director general David Howman put it -- could prompt a reconsideration of Armstrong's lifetime ban from sanctioned events. He's also had discussions with officials at the U.S. Anti-Doping Agency, whose 1,000-page report in October included testimony from nearly a dozen former teammates and led to stripping Armstrong of his Tour titles. Shortly after, he lost nearly all his endorsements, was forced to walk away from the Livestrong cancer charity he founded in 1997, and just this week was stripped of his bronze medal from the 2000 Olympics.

LeBron James scores 39 points as Heat pull away from Lakers late

LOS ANGELES -- For a few exciting minutes in the fourth quarter, Kobe Bryant and the Los Angeles Lakers resembled the championship-caliber dynamo everybody expected this season, making a big run and surging past the Miami Heat.

And then LeBron James calmly demonstrated why the Heat are the defending NBA champions and the Lakers are in 11th place in the Western Conference.

James had 39 points and eight assists, Dwyane Wade added 27 points on his 31st birthday and the Heat held off the Lakers 99-90 Thursday night, scoring

the final nine points to finish their six-game road trip in style.

"We closed out the trip the right way, and we want to build from it," James said. "We wanted to do much better, of course, after the way we started, losing to Indiana and Portland." They finished up just fine at Staples Center, getting their second win in their last eight games here against the Lakers.

Ray Allen scored seven of his nine points in the final 5 minutes as the Heat repelled a late charge by the Lakers, who lost for the seventh time in nine games. The Lakers challenged the

champs, but James closed out the Heat's sixth road game in 10 days with a flurry of clutch baskets and solid defensive play, often against Bryant.

"I thought we played well enough to beat them," Lakers coach Mike D'Antoni said. "That's a championship team. They turned on all the juices, so it's a good measuring stick. That's what they do, and we have to get better. We've got to get smoother."

Bryant scored 13 of his 22 points in the fourth quarter for Los Angeles, but later lamented his lack of aggression in the first three quarters. Dwight

Howard had 13 points and 16 rebounds, but missed two key free throws with 1:51 left while Miami pulled away, capping the All-Star starting center's 5-for-13 effort at the line.

Miami held a narrow lead for most of the first three quarters until Bryant hit two 3-pointers and two jumpers during a 14-3 Lakers run to an 84-81 lead in the fourth quarter.

Allen put the Heat back ahead with a 3-pointer with 4:55 to play, but Bryant tied it with his third 3-pointer of the quarter with 2:33 left. After Wade hit a jumper, Howard missed two free throws -- airballing the first -- and Allen hit a high-arching jumper in the paint before James iced it with a short bank shot with 49 seconds left.

"On the road, when things don't always go your way, you don't have your momentum and you don't have the confidence of your home crowd, you have to just find different ways to grind," Miami coach Erik Spoelstra said. "This is a perfect example of that. We never really got into a great flow offensively until late in the fourth quarter."

Metta World Peace scored 16 points for the Lakers, who committed 20 turnovers and didn't score in the final 2 1/2 minutes. Yet they largely saw a solid effort against the mighty Heat as cause for optimism in Hollywood.

"It's not much of a setback," Bryant said. "They played very well. They obviously have a familiarity, been playing together, and they know where they want

to be in their spots. They executed down the stretch. LeBron made some tough shots."

Pau Gasol had 12 points and four rebounds in his return from a five-game absence with a concussion for the Lakers, who had hoped to build on consecutive victories following a six-game losing streak that knocked them well out of the West playoff picture.

James and Wade got little help until Allen's late flurry, but they didn't need it. Chris Bosh had just seven points and six rebounds in 35 minutes for Miami.

"LeBron is going to get his points, but if we control Dwyane and Chris Bosh, we have a better chance of winning," Howard said. "Tonight, D-Wade, he had it going on the offensive end." Bryant scored at least 20 points in his 23rd consecutive game, but the NBA's leading scorer missed 14 of his first 17 shots.

The game featured four of the 10 starters in next month's All-Star game, with Bryant edging James by roughly 7,800 votes as the top vote-getter in the final results announced earlier in the day. Wade and Howard also will start in Houston. Bryant is headed to his 15th All-Star game in 17 NBA seasons, starting a record 15 consecutive times, while Howard will be a seven-time All-Star.

Earl Clark stayed in the Lakers' starting lineup on his 25th birthday, but Gasol played well off the bench in his first game since Denver's JaVale McGee elbowed him in the face Jan. 6.
